

The Winter Solider: Cold Front

by Mackenzie Lee

In 1954, the Winter Soldier is the Soviet Union's best weapon. Assigned to the most dangerous or covert operations from the USSR's secret military branch and led by a handler who knows him better than he knows himself. His only purpose is to obey orders. Only he wasn't always the Winter Solider...

In 1941, with the beginning of WWII, 16 year old Bucky Barnes is determined to enlist in the United States Army despite a local commander getting in his way. So, when a spot in a training program for the United Kingdom's secret service opens, Bucky leaps at the opportunity to finally become a hero. But, as their missions cross through time, their lives also begin to clash in ways that neither of them would have expected — and ultimately changes the course of their respective wars.

Queen Among the Dead

by Lesley Livingston

In the magical kingdom of Eire, banshees chill the air, and water-wights lurk in the rivers. Only now magic has been outlawed by the king, and jealousy hoarded by his Druid priests. But when Eire is threatened by this power struggle, Neve, the King's youngest daughter, must seize the opportunity and take her place on the throne.

With the help of a Druid's apprentice-turned-thief and the realm's most dangerous outcasts, their journey will lead them to a place where magic still runs free... one where outlaws and a warrior princess might carve out a better future using spells and swords.

The Davenports

by Krystal Marquis

In 1910, the Davenports are one of the few Black families with immense wealth and status in the United States due to the hard work of William Davenport, a formerly enslaved man turned entrepreneur. With their lives now surrounded by servants, crystal chandeliers, and endless parties the family is finding their way and even love in places or people they shouldn't... Like Olivia, the eldest daughter, who is ready to fulfill her familial duty of marriage. That is, until she meets the handsome Washington DeWight, and sparks begin to fly... Or Helen, the youngest daughter, who is more interested in fixing cars than finding love. If only her sister's suitor was available, maybe love would seem more tempting... And then there is John Davenport, the heir who only cares about proving himself to the Davenport Carriage Company and to his father. But when he unwittingly enters a love triangle, frictions will begin to develop between the siblings' friends, family, and lovers.

Waking Fire

by Jean Louise

Naira Khoum has only known life in Lagusa, a quiet village at the desert's end. But to the rest of the world, her village is a myth, its location veiled in secrecy. While war rages to the north led by a power-hungry Sothpike and his army of undead monsters called Dambi, Naira's people live in peace. But when her peaceful village of Lagusa is attacked by a Mistress that has been sent to carry out Sothpike's evil biddings, Naira forms a resistance to stop the Mistress before it's too late and Lagusa is beyond saving.

Fortress of Snow

by Melanie Dickerson

After being abandoned, Mazy has no choice but to seek out help from her beloved older brother Sir John, who is training knights at the great estate of Strachleigh. While there she becomes friends with the kind and loyal knight Sir Berenger. Yet fate forces them apart when Berenger is sent off to Prussian lands and Mazy has to move. Upon his return, Berenger and Mazy meet again on the busy streets of London. Only when the King summons Sir Berenger to be given a reward for his service in Prague, he receives a new mission instead... one that comes with a price. He must marry a wealthy, titled widow. Now suspecting treachery, Mazy travels to the fortress of snow to warn the brave knight, and possibly secure her own fairytale ending.

My Good Man

by Eric Gansworth

Brian, a 20 something reporter on the Niagara Cascade's City Desk, has been navigating life being the only Indigenous writer in the newsroom, and is often roped into reporting on the stereotypical stories that homogenized his very own community at the nearby Tuscarora Reservation. But when a mysterious roadside assault lands Tim, the brother of Brian's late mother's boyfriend in the hospital, Brian must pick up the threads of a life he has abandoned.

Beneath the Wide Silk Sky

by Emily Inouye Huey

Sam Sakamoto doesn't have space in her life for dreams. After the recent death of her mother, Sam's focus is on the family farm, which will be lost if her family can't make their final payment. With all that is at stake, her secret hope of one day becoming a photographer seems more and more unrealistic. But an even bigger threat looms on the horizon. — When the attack on Pearl Harbor occurs, the fury for Japanese Americans ignites across the country. In Sam's own community, the horrific attack gives those who have harbored prejudices an excuse to hate. As Sam's family wrestles with intensifying discrimination and violence, Sam begins an unexpected new friendship with her neighbor Hiro Tanaka. So when Hiro offers Sam a way to resume her photography, she realizes that she can document the bigotry around her...if she's willing to take the risk. But when the United States announces that those of Japanese descent will be forced into "relocation camps", Sam knows she must act now or risk losing her voice forever.

Blood of Troy

by Claire M. Andrews

Following the events in Daughter of Sparta, Daphne is still haunted by looming threats, her complicated feelings for the god Apollo, and the promise she made to the Olympian gods to help them again if and when called upon in the future. But when the call finally comes, it is deceptively simple. Daphne must secure herself a spot as one of Queen Helen's guards as a war is fast approaching and all of Sparta must be prepared. But when a plot of betrayal is uncovered during a treaty summit among the monarchs of Greece by Daphne and Helen, battle soon begins. As the kingdoms of Greece clash on the shores of Troy and the gods begin to choose sides, Daphne must use her wits, training, and her precarious relationship with Apollo to find a way to keep her queen safe, stop the war, and uncover the true reason the gods led her to Troy. Except the gods are keeping more than one secret...

Rust in the Root

by Justina Ireland

In 1937, America is divided by Mages and Mechomancers due to effects of the industrial revolution resulting from the Great Rust. — Talented young mage, Laura Langston, has recently begun working within the Colored Auxiliary Unit at the Bureau of Arcane tackling areas of the blight in New York. But when her next mission is deep within the heart of America's oldest and most mysterious blight, Laura discovers the work of mages last seen during one of the darkest times in history. Back when Black mages were killed for their power and where current Colored Auxiliary troops have stopped returning from.
